To be a strong club, we need full participation from our members. Participation means volunteering to help in any way you can. If after having been a member for a few months, you would be interested in volunteering as a host or co-host of an activity, please contact our Activity Coordinator. The Activity Coordinator maintains a file on what it takes to host various functions and would be delighted to send you a copy. On the other hand, if you prefer to help in an administrative capacity or as a Council member, please contact the President of TBC.
