If officer positions are to be selected by the ballot, the chapter Council shall specify the term and title of the officer position.

In addition, the Chapter Council shall specify for the Nominating Committee the specific title and language of any other matters to be voted on by the membership and specify whether a majority vote or two-thirds (2/3) vote is required for a vote in favor of each item listed on the ballot.

The Chapter Council shall determine if unusual circumstances exist and shall adjust the dates in Section 5.21 as necessary, pursuant to CRS 7-127-106. The Chapter Council shall provide the Nominating Committee with the adjusted dates for completion of duties specified in Section 5.21.

Section 5.21 Nominating Committee Duties.

The Nominating Committee shall designate a Member to be the Chairman of said committee. The Nominating Committee shall conduct its duties as directed by the Chapter Council and pursuant to CRS-127-109.

(1) On or about September 1st of each year the Chapter's Nominating Committee shall begin to recruit and accept nominations and volunteer self nominations for Chapter Council positions.

(2) On or about October 10th of each year the Chapter's Nominating Committee shall close nominations and volunteer submittals and request the Chapter Council to close the membership roster and the Nominating Committee shall prepare the ballot(s). If the number of qualified nominees or volunteers is equal to or less than the established vacancies or seats, and there are no other matters to be voted on by the membership, the Nominating Committee shall recommend to the Chapter Council that ballots not be prepared and sent to the membership. The Nominating Committee shall recommend that the Chapter Council appoint the qualified nominees and or volunteers and shall notify the membership of these recommendations in the next Chapter newsletter.

(3) On or about October 20th of each year the Chapter's Nominating Committee shall mail a ballot to each eligible member in their Chapter, unless a ballot is not required by Section 5.21 (2). A ballot will be for electing Chapter Council Members and any other matter requiring membership voting.

(4) On or about November 10th of each year the Chapter's Nominating Committee shall close the election and count the ballots. The actual count of the voting will be given to the current Chapter Council and to the TBC Board of Directors. Additionally, the Nominating Committee will provide the names of those elected to all candidates. In case of a tie vote the Nominating Committee will do a coin toss to determine the person elected. The Nominating Committee then prepares the names of those elected for publication in its December Chapter newsletter.

(5) The Nominating Committee shall first, pursuant to CRS 7-127-205, determine if a quorum of twenty five percent (25%) of the entitled votes have been cast on any matter other than election of Chapter Council Members. If the required quorum of votes cast is not present, the Nominating Committee shall notify the Chapter Council and report in the December Chapter newsletter. If there is a quorum of votes cast, the Nominating Committee shall count the ballots and determine if the required percentage of approvals was obtained. The Nominating Committee shall report the results to the Chapter Council and in the December Chapter newsletter.

(6) The Nominating Committee shall maintain control of and not destroy ballots until all elections protests are resolved or January 1st, whichever comes first.

5.22 Selection of Officers. On or about December 10th of each year the new Chapter Council shall take office and select Chapter Council Officers, unless Chapter Council Officers have been elected by ballot. The Chapter Council shall also select the TBC Board Members, as required by Article IV, Section 4.02. Each Chapter Council shall announce its Chapter Council Officers and the TBC Board Members in the January newsletter and at the January breakfast meeting.

Section 5.23. Dissolution of a Chapter. If a Chapter chooses to dissolve, a two-thirds (2/3) majority vote of the Chapter members and Chapter Council must be obtained and a letter of request for dissolution from the Chapter must be submitted to the TBC Board of Directors and all Chapters. To continue their membership with TBC, members of a dissolved Chapter must affiliate with another Chapter of their choice.

Section 5.24. Chapter membership directory. Each Chapter shall have its own membership Directory which will be distributed to active members in good standing during the calendar year. The information within the Directory is the property of TBC. None of the names, addresses, phone numbers or e-mail addresses can be used for solicitations or mailings of any kind by any party,

group, or individual, for any purpose other than TBC business. If an active TBC member or non member misuses the information, the Board of Directors will request the person to cease the activity. If the person does not adhere to the request, the Board of Directors may vote to terminate membership, bar future membership and/ or initiate legal action to cease and desist.

Section 5.25. Chapter annual dues. See Section 5.10

Section 5.26. Prohibited committee business. Committees of the Chapters may not transact the following types of business: (i) amend these by-laws; (ii) approve a plan of merger or consolidation with another corporation; (iii) authorize the sale, lease, exchange, or mortgage of the property or assets of the Corporation; (iv) authorize the voluntary dissolution of the Corporation or revoke proceedings therefore; (v) adopt a plan for the distribution of assets of the Corporation; (vi) amend, alter, or repeal any resolution of the Board of Directors.

ARTICLE VI

CONTRACTS LOANS AND CHECKS

Section 6.01. Contracts. The TBC Board of Directors or a Chapter Council, by resolution of the Board of Directors, may authorize any officer(s), or agent(s), to enter into any contract or execute and deliver any instrument in the name of and on behalf of TBC or a Chapter, and such authority may be general or confined to specific instances.

Section 6.02 Loans. No loans shall be contracted on behalf of TBC or a Chapter and no evidence of indebtedness shall be issued in its name unless authorized by a two-thirds (2/3) vote of the total voting membership and a resolution of the TBC Board of Directors. Such authority may be general or confined to specific instances.

Section 6.03. Checks and drafts. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of TBC or a Chapter, shall be signed by such officer(s), or agent(s) of TBC or a Chapter as designated, and in such manner as shall be determined by the TBC Board of Directors or a Chapter Council.

ARTICLE VII

DISSOLUTION

Section 7.01. Dissolution by Directors and members.

Dissolution of the TBC Corporation may be initiated only by a minimum two thirds (2/3) vote of all the TBC membership and an affirmative resolution of the TBC Board of Directors. If an affirmative vote is achieved the dissolution shall be conducted as prescribed in the most current Colorado Revised Statutes for Non Profit Corporations Act.

ARTICLE VIII

INDEMNIFICATION

(Revised April 30, 2017)

Section 8.01. Indemnification definitions.

As used in this article:

(1) "Director" means an individual who is or was a Director of TBC, a nonprofit corporation, a Chapter Council member, or an individual who, while a director of a nonprofit corporation, is or was serving at the nonprofit corporation's request as a director, officer, partner, member, manager, trustee, employee, fiduciary, or agent of another domestic or foreign entity or of an employee benefit plan. A director is considered to be serving an employee benefit plan at the nonprofit corporation's request if the director's duties to the nonprofit corporation also impose duties on, or otherwise involve services by, the director to the plan or to participants in or beneficiaries of the plan. "Director" includes, unless the context requires otherwise, the estate or personal representative of a deceased director.

(2) "Expenses" includes counsel fees.

(3) "Liability" means the obligation incurred with respect to a proceeding to pay a judgment, settlement, penalty, fine, including an excise tax assessed with respect to an employee benefit plan, or reasonable expenses.

(4) "Nonprofit Corporation" includes any domestic or foreign entity that is a predecessor of a nonprofit corporation by reason of a merger or other transaction in which the predecessor's existence ceased upon consummation of the transaction.

(5) "Official capacity" means, when used with respect to a director, the office of director in a nonprofit corporation and, when used with respect to a person other than a director as contemplated in C.R.S. 7-129-107, the office in a nonprofit corporation held by the officer or the employment, fiduciary, or agency relationship undertaken by the employee, fiduciary, or agent on behalf of the nonprofit corporation. "Official capacity" does not include service for any other domestic or foreign corporation, nonprofit corporation, or other person or employee benefit plan.

(6) "Party" includes a person who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(7) "Proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal.

Section 8.02. Authority to indemnify Directors.

(1) Except as provided in subsection (4) of this section, a nonprofit corporation may indemnify a person made a party to a proceeding because the person is or was a director against liability incurred in the proceeding if:

(a) The person's conduct was in good faith; and

(b) The person reasonably believed:

(I) In the case of conduct in an official capacity with the nonprofit corporation, that the conduct was in the nonprofit corporation's best interests; and

(II) In all other cases, that the conduct was at least not opposed to the nonprofit corporation's best interests; and

(c) In the case of any criminal proceeding, the person had no reasonable cause to believe the conduct was unlawful.

(2) A director's conduct with respect to an employee benefit plan for a purpose the director reasonably believed to be in the interests of the participants in or beneficiaries of the plan is conduct that satisfies the requirement of subparagraph (II) of paragraph (b) of subsection (1) of this section. A director's conduct with respect to an employee benefit plan for a purpose that the director did not reasonably believe to be in the interests of the participants in or beneficiaries of the plan shall be deemed not to satisfy the requirements of paragraph (a) of subsection (1) of this section.

(3) The termination of a proceeding by judgment, order, settlement, or conviction or upon a plea of *nolo contendere* or its equivalent is not, of itself, determinative that the director did not meet the standard of conduct described in this section.

(4) A nonprofit corporation may not indemnify a director under this section:

(a) In connection with a proceeding by or in the right of the nonprofit corporation in which the director was adjudged liable to the nonprofit corporation; or

(b) In connection with any other proceeding charging that the director derived an improper personal benefit, whether or not involving action in an official capacity, in which proceeding the Director was adjudged liable on the basis that the director derived an improper personal benefit.

(5) Indemnification permitted under this section in connection with a proceeding by or in the right of the nonprofit corporation is limited to reasonable expenses incurred in connection with the proceeding.

Section 8.03. Mandatory indemnification of directors.

Unless limited by its articles of incorporation, a nonprofit corporation shall indemnify a person who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the person was a party because the person is or was a director, against reasonable expenses incurred by the person in connection with the proceeding.

Section 8.04. Advance of expenses to directors.

(1) A nonprofit corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if:

(a) The director furnishes to the nonprofit corporation a written affirmation of the director's good faith belief that the director has met the standard of conduct described in C.R.S. 7-129-102;

(b) The director furnishes to the nonprofit corporation a written undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the standard of conduct; and

(c) A determination is made that the facts then known to those making the determination would not preclude indemnification under this article.

(2) The undertaking required by paragraph (b) of subsection (1) of this section shall be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make repayment.

(3) Determinations and authorizations of payments under this section shall be made in the manner specified in C.R.S. 7-129-106.

Section 8.05. Determination and authorization of indemnification of directors.

(1) A nonprofit corporation may not indemnify a director under C.R.S. 7-129-102 unless authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in C.R.S. 7-129-102. A nonprofit corporation shall not advance expenses to a director under C.R.S. 7-129-104 unless authorized in the specific case after the written affirmation and undertaking required by C.R.S. 7-129-104 (1) (a) and (1) (b) are received and the determination required by C.R.S. 7-129-104 (1) (c) has been made.

(2) The determinations required by subsection (1) of this section shall be made:

(a) By the Board of Directors by a majority vote of those present at a meeting at which a quorum is present, and only those directors not parties to the proceeding shall be counted in satisfying the quorum; or

(b) If a quorum cannot be obtained, by a majority vote of a committee of the Board of Directors designated by the Board of Directors, which committee shall consist of two or more directors not parties to the proceeding; except that directors who are parties to the proceeding may participate in the designation of directors for the committee.

(3) If a quorum cannot be obtained as contemplated in paragraph (a) of subsection (2) of this section, and a committee cannot be established under paragraph (b) of subsection (2) of this section, or, even if a quorum is obtained or a committee is designated, if a majority of the directors constituting such quorum or such committee so directs, the determination required to be made by subsection (1) of this section shall be made:

(a) By independent legal counsel selected by a vote of the Board of Directors or the committee in the manner specified in paragraph (a) or (b) of subsection (2) of this section or, if a quorum of the full board cannot be obtained and a committee cannot be established, by independent legal counsel selected by a majority vote of the full Board of Directors; or

(b) By the voting members, but voting members who are also directors and who are at the time seeking indemnification may not vote on the determination.

(4) Authorization of indemnification and advance of expenses shall be made in the same manner as the determination that indemnification or advance of expenses is permissible; except that, if the determination that indemnification or advance of expenses is permissible is made by independent legal counsel, authorization of indemnification and advance of expenses shall be made by the body that selected such counsel.

Section 8.06. Indemnification of officers, employees, fiduciaries, and agents.

(1) Unless otherwise provided in the articles of incorporation:

(a) An officer is entitled to mandatory indemnification under C.R.S. 7-129-103, and is entitled to apply for court-ordered indemnification under C.R.S. 7-129-105, in each case to the same extent as a director;

(b) A nonprofit corporation may indemnify and advance expenses to an officer, employee, fiduciary, or agent of the nonprofit corporation to the same extent as to a director; and

(c) A nonprofit corporation may also indemnify and advance expenses to an officer, employee, fiduciary, or agent who is not a director to a greater extent, if not inconsistent with public policy, and if provided for by its by-laws, general or specific action of its Board of Directors or voting members, or contract.

Section 8.07. Insurance.

A nonprofit corporation may purchase and maintain insurance on behalf of a person who is or was a director, officer, employee, fiduciary, or agent of the nonprofit corporation, or who, while a director, officer, employee, fiduciary, or agent of the nonprofit corporation, is or was serving at the request of the nonprofit corporation as a director, officer, partner, member, manager, trustee, employee, fiduciary, or agent of any domestic or foreign entity or of any employee benefit plan, against liability asserted against or incurred by the person in that capacity or arising from the person's status as a director, officer, employee, fiduciary, or agent, whether or not the nonprofit corporation would have power to indemnify the person against the same liability under C.R.S. 7-129-102, 7-129-103, or 7-129-107. Any such insurance may be procured from any insurance company designated by the Board of Directors, whether such insurance company is formed under the law of this state or any other jurisdiction, including any insurance company in which the nonprofit corporation has an equity or any other interest through stock ownership or otherwise.

Section 8.08. Limitation of indemnification of directors.

(1) A provision treating a nonprofit corporation's indemnification of, or advance of expenses to, directors that is contained in its articles of incorporation or by-laws, in a resolution of its members or Board of Directors, or in a contract, except an insurance policy, or otherwise, is valid only to the extent the provision is not inconsistent with C.R.S. 7-129-101 to 7-129-108. If the articles of incorporation limit indemnification or advance of expenses, indemnification and advance of expenses are valid only to the extent not inconsistent with the articles of incorporation.

(2) C.R.S. 7-129-101 to 7-129-108 do not limit a nonprofit corporation's power to pay or reimburse expenses incurred by a director in connection with an appearance as a witness in a proceeding at a time when the director has not been made a named defendant or respondent in the proceeding.

Section 8.09. Notice to voting members of indemnification of director.

If a nonprofit corporation indemnifies or advances expenses to a director under this article in connection with a proceeding by or in the right of the nonprofit corporation, the nonprofit corporation shall give written notice of the indemnification or advance to the voting members with or before the notice of the next Special members' meeting. If the next Special member action is taken without a Special meeting at the instigation of the Board of Directors, such notice shall be given to the voting members at or before the time the TBC Chairman signs a writing consenting to such action.

ARTICLE IX

AMENDMENTS

Section 9.01 Amendments by Directors.

The Board of Directors may amend the by-laws at any time to add, change, or delete a provision, unless:

- (1) Articles 121 to 137 of this title (Colorado Revised Nonprofit Corporation Act) or the articles of incorporation reserve such power exclusively to the members in whole or part; or
- (2) A particular bylaw expressly prohibits the Board of Directors from doing so; or

- (3) It would result in a change of the rights, privileges, preferences, restrictions, or conditions of a membership class as to voting, dissolution, redemption, or transfer by changing the rights, privileges, preferences, or conditions of another class.

Section 9.02 Amendments by members. The members may amend the by-laws even though the by-laws may also be amended by the Board of Directors. In such instance, the action shall be taken in accordance with Article III, Section 3.07, C.R.S. 7-130-103, and 7-130-104, as if each reference therein to the articles of incorporation was a reference to the by-laws.

ARTICLE X

CORPORATE SEAL

The Board of Directors shall adopt a corporate seal, which shall be circular in form and shall have inscribed on the periphery the name of The Breakfast Club for Singles 50+, and the State of Colorado. In the center of the seal there shall be the word "Seal."

The fiscal year of the Corporation shall end on December 31st.
